Starting on Monday, Aug. 30, 2021, The Arc of San Diego will require all visitors and staff entering our facilities to show proof of COVID-19 vaccination or a negative COVID-19 test taken within the past 72 hours.

Please see below for more information about how to show proof of vaccination or testing.

*\*\*This requirement does not apply to Arc clients.*

In addition, everyone who enters the facility must undergo temperature and health screening, as well as wear a face mask at all times while in facility. Masks are available for those who do not have one.

#### **How to Show Proof of Vaccination of Negative Test**

**Fully vaccinated visitors** can show proof of vaccination with one of these state-approved methods:

1. Preferred method: Digital vaccine record, which you can retrieve via the [state website](https://myvaccinerecord.cdph.ca.gov/) -- <https://myvaccinerecord.cdph.ca.gov/> (if you were vaccinated anywhere in California).
2. COVID-19 Vaccination Card (issued by the Department of Health and Human Services Centers for Disease Control & Prevention or WHO), which includes name of person vaccinated, birth date, type of vaccine, and the date of last dose administered.
3. Photo of Vaccination Card as a separate document.
4. Photo of Vaccination Card stored on a phone or electronic device.
5. Documentation of COVID-19 vaccination from a health care provider.

**Unvaccinated or partially vaccinated visitors** will need to bring documentation of a negative COVID-19 test performed within 72 hours of your visit. It can be either a PCR or antigen test.

Thank you for your understanding and doing your part in helping us protect the health and safety of our clients, staff, volunteers, visitors, and community. We appreciate your cooperation with these measures to keep everyone at The Arc of San Diego safe and healthy.

Sincerely,  
The Arc of San Diego

***Achieve with us.***
