

# Earned Wage Access

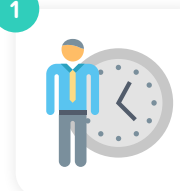

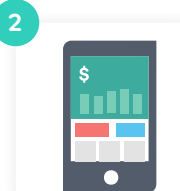

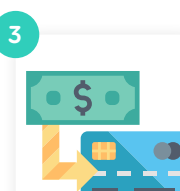

Your “earned wages” is the money that you get in your paycheck. In the UKG Wallet app, you can use the money you earned before payday.

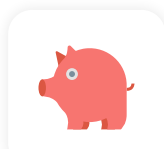

## Use wages inside the app

-  Go to work and finish your shift
-  Check the UKG Wallet app to see how much money you can access
-  Use your money on services in the app

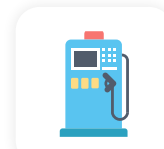

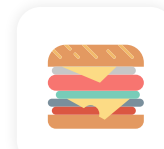

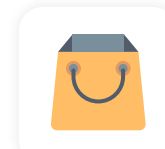

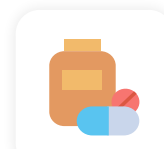

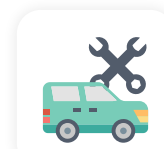

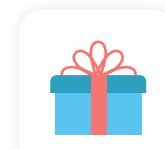

## Use wages outside the app

-  Go to work and finish your shift
-  Check the UKG Wallet app to see how much money you can access
-  Transfer the money to your UKG card or bank account
