

STUDENT WORK EXPERIENCE PROGRAM

WHAT DOES IT MEAN?

- The Department of Rehabilitation (DOR) created a program for students ages 16-21 who may have a disability to gain the experience and skills needed for future paid employment opportunities.
- The Arc of San Diego funds up to 100 hours every 3 months for each student who is eligible for work experience. The student is allowed to have up to 4 additional work experiences.
- The student who receives the work experience will be paid the wage/salary of the position acquired, at no cost to the employer.
- The Arc of San Diego monitors the work experience and assists both the student and the employer to ensure a smooth experience.
- Liability and Workers' Compensation Insurance covered by The Arc of San Diego.
